The Chairman proceeded to read the Report of the Directors.

## Directors' Report.

The Directors beg to present to the Shareholders of the Bank the following statement, shewing the result of the past year's business:

Balance of Profit and Loss Account at 30th June, 1876.....	\$ 2,646 11
Profits for the year ending 30th June, 1877, after deducting expenses of management and reserving for Interest and Exchange.....	135,901 04
ADD—Taken from Rest Account.....	200,000 00
	\$338,547 15

Which has been applied as follows:

Dividend No. 22, 3 p. c., paid 2nd January, 1877.....	\$ 59,728 68
“ “ 23, 3 “ payable 2nd July, 1877.....	59,753 25
Appropriated to bad and doubtful debts.....	202,489 54
	\$321,971 47
Balance at credit of Profit and Loss, new account.....	\$16,575 68

The Directors regret that the continued depression and consequent losses in the trade have rendered it necessary for them again to appropriate a large amount for bad and doubtful debts.

Charles E. Levey, Esq., who has been the President of the Board of Directors since the foundation of the Bank, and whose name has been so thoroughly identified with it, has resigned that position in consequence of his advanced years. He had before leaving for England last year tendered his resignation to the Board, but withdrew it at the request of his co-Directors.

The Board regrets to have to announce to the Shareholders that the Cashier, Mr. MacEwan, has resigned his office, but, at the request of the Board, has consented to continue to act until some other arrangement can be made.

The Directors regret to have to record the death of Mr. Sharples, who was for several years a zealous and able Director of the Bank, and at the time of his death filled the office of Vice-President. The vacancy on the Board has been filled by the appointment of Mr. William Sharples.

The Inspector has made a thorough examination into the affairs of the branches and agencies during the past month, and has reported favorably upon them.

The cash and securities at the Head Office have been examined at intervals by the Directors and found to be correct.
