The Constitution provides for fixed assessments and also for special assessments in case the fixed assessments be not sufficient—but the total assessments can never, according to the laws, exceed twenty-four in any one year—as should it be necessary, through any cause to require more money than said number of assessments would bring, the Reserve Fund is drawn upon. Eighteen assessments is the greatest number we have had.

The rate fixed for the age at which an applicant becomes a member will remain the same throughout.

## SHORT HISTORY OF THE C.M.B.A.

---

The Catholic Mutual Benefit Association was organized in July, 1876.

The Grand Council was organized on the 10th February, 1880.

Incorporated in Ontario, January 18th, 1890.

Incorporated in the Dominion of Canada in March, 1893.

Received a certificate of registration from the Dominion Government, December 27th, 1894, and is also registered on the Insurance License Register of Ontario.

The Grand Council is termed the Association<sup>s</sup> incorporated for the following purposes and objects :

1st. To unite fraternally all persons entitled to membership under the constitution and laws of the Association.

2nd. To improve the social, intellectual and moral conditions of the members of the Association, and to educate them in integrity, sobriety and frugality.

3rd. To establish, manage and disburse a Mutual Benefit and a Reserve Fund, from which within sixty days after the receipt at the office of the Secretary of the Association of satisfactory evidence of the death of a member of the Association, who has complied with its lawful requirements, a sum not exceeding \$2,000 shall be paid by the Association to the widow, orphans, dependents or other beneficiary whom deceased member has designated, or to the legal representatives of such deceased member.

## Who May Become Members.

Applicants for membership must be practical Catholics, males not under 18 years of age, nor over 50 at date of initiation, must pass a medical examination, be approved by the Supervising Medical Examiner, the Branch Board of Trustees, and elected by ballot of the Branch to which application is made before they can be admitted to membership.

Four grades of policies are issued, viz., a \$2,000, \$1,500, \$1,000 and \$500.

## What It will Cost to Become a Member.

To become a member of the C.M.B.A. of Canada will require the payment of following fees:

Application fee.....	\$3 00
Supervising Medical Examiner's fee.....	50
Medical Examination fee.....	1 50
One Assessment, for \$1,000 at age of 21 ....	50
One months' dues .....	25
Total.....	\$5 75

But when we consider that the Reserve Fund of the Association is equally the property of all members, no matter whether they have been members for the past twenty years, or for only one day, it is evident that the share of a new member in this reserved fund is more than the cost of his admission.

Rejected applicants have the \$3.00 application fee returned to them.
