

*JMVFH* would like to correct an error in the abstract of “Gender in Veteran Reintegration and Transition: A Scoping Review” (*Journal of Military, Veteran and Family Health*, volume 4, issue 1). The abstract contains an incorrect date range. In the fourth line of the English-language abstract, it should read, “There has been an upswing in gender research on Veterans, with 100 of the 178 articles published between 2010 and 2015.” In the fourth line of the French-language abstract, it should read “Il y a eu une augmentation de recherches sur les sexes et les vétérans car 100 des 178 articles ont été publiés entre 2010 et 2015.” This correction will match the accurate date range shown in Figure 2 of the same article.

*JMVFH* regrets the error.
