No other Route in America presents to Tourists and Pleasure-Seekers so many Unrivalled Advantages!

A Sail in any of the Steamers of this Company, which are fitted with a view to SATISFY THE MOST FASTIDIOUS TRAVELER, offers REST and RECREATION. The air is bracing and health-giving, and the SCENERY of the LOWER ST. LAWRENCE, from Quebec to the mouth of the Saguenay, is AS CHARMING AS THE RIVER RHINE, while both Shores abound in Legends of the early history of Canada. But the great pleasure of the Tour is the trip up and down the most interesting of American Rivers,

**THE SAGUENAY, THE SCENERY OF WHICH IS SUBLIME AND UNEQUALED!**

Tourists will leave their visit to Canada incomplete without having seen the Lower St. Lawrence and Saguenay.
